## Park View Newsletter

Dear Parent/carers

We have had a very busy week at Park View Community Academy this week! The children have been settling in to their new classes with their new teachers.

We thank you for your continued support with the new start and finish times. We would like to remind our children to be in their lines for 8.40 ready to go into classes at 8.45. Our new reading lessons have enthused the children as they have been absorbed into fictional worlds and cannot wait to continue with these books.

The children in Year 5 and 6 may have been talking to you all about their new Latin lessons, where they have been learning how to say hello (Salve!) and goodbye (Vale!). We look forward to hearing about other new language they have been acquiring in the coming weeks.

All of the children across Park View have also had a computing lesson from our new computing teacher Mr Dickinson- who has been teaching them amazing new skills on the iPads and computers!

Next week we will have a photographer coming in to take pictures for our new website, which will be coming soon. Our celebration assemblies will start next Friday, where we look forward to giving out our new certificates to the children.

Mrs Hall
